

DERBÄR®  
60 YEARS OF HOSPITALITY.

FEELS  
SIMPLY  
WONDERFUL

# UNIQUE. THEN AS NOW.

*What really matters: Remaining true to your roots and open to innovation.*

**THEN** / In 1968, the year of the opening of DER BÄR, expressions such as chilling out, switching off and unwinding were pretty much unheard of. And yet, even back then, that's just how it felt to our delighted guests from near and far.

**NOW** / The word 'unique' cannot be further enhanced; comfort, on the other hand, can. With Alpine charm, stylish elegance and constant new highlights, DER BÄR offers a holiday experience that cannot be categorised with standard hotel star ratings.

DER BÄR, 60 YEARS ON / WELCOME

*Over the past six decades the hotel DER BÄR in Ellmau has changed markedly. Today it is more inviting, more multifaceted and more stunning than ever before. But despite the changes and extensions, all carried out with the utmost care, there is one thing we have always preserved, namely the laid-back atmosphere. In our idyllic home away from home you'll feel immediately at ease so you can relax and enjoy being spoiled by us. Come and experience for yourself how we take care of your individual wishes.*

*We look forward to welcoming you.*

WITH A VIEW**

INFINITY POOL / BOUNDLESSLY BREATHTAKING

## A TREAT FOR EARLY BIRDS

*Here in DER BÄR, even the most lethargic of late risers might just turn into a chirpy, cheery early bird. Is it just because the mountains are calling? No, it's also in no small way due to our sumptuous breakfast buffet bursting with variety. Your nose will guide you there in the morning. Simply follow the tempting aroma of coffee, cappuccino and fresh bread from the local baker.*

# SUPERLATIVE IN EVERY DISCIPLINE

## ON THE MOVE / THE MOUNTAINS ARE CALLING

**GEARED FOR FAMILIES** / Younger guests are perfectly catered for here in DER BÄR. Our friendly, caring children's entertainer organises non-stop fun with kids' Olympics, horse-drawn carriage rides, torchlight walks, mountain picnics, kiddies' discos, arts and crafts and film evenings.

*When it comes to fresh air and exercise, the Wilder Kaiser region is a veritable El Dorado. The scenic beauty of the mountains can be explored along no fewer than 700 km of marked hiking tracks. During our weekly hike up to our very own Bärenalm Alpine pasture and hut we treat you to a tasty Tyrolean platter. Mountain bikers can indulge their passion on a wide variety of forest tracks or challenging single trails. In addition, a paragliding trip lets you experience the indescribable sensation of flying while enjoying a bird's eye view of the world.*

**GOLF DEVOTEES** / Chances are you'll meet these two on the golf course: Lorette Windisch loves to indulge her passion for golf, while the golf buggy has become the signature trademark of her husband Karl-Heinz.

## SUITS AVID GOLFERS TO A TEE

*For lovers of the 'gentleman's game', DER BÄR is a veritable haven. Around a dozen superb, sun-blessed golf courses are located within a short distance of the hotel. The renowned 27 hole golf course 'Wilder Kaiser' is situated a mere 700 metres away. Enjoy unforgettable rounds of golf, complete with a picture-postcard backdrop to take your breath away.*

Expert hands are also available to soothe and melt away muscle tension.*

**FAMILY TRIED AND TESTED** / How time flies... It feels like just yesterday when the Windisch offspring, Sophia, Anastasia and Andreas, put the Kids' Club to the ultimate test before unanimously rating it as 'Ace!'. Today they're (almost) all grown up.

**HOLIDAY FUN  
FOR KIDS**

Children's imaginations know no boundaries – which is one good reason to give them plenty of freedom to play and explore as they wish during their holiday. In the safe and caring hands of our Mini-Club child-minder, our youngest BÄR guests can join in games, try their hands at arts and crafts and have lots of fun. Teenagers, on the other hand, have their own chill-out room where they can hang out, relax and enjoy space to themselves – strictly out of bound to adults!
